

## Please help us with the **PS11 K&G Pay It Forward Initiative**

**Hi!** We're the students of **PS11 William T. Harris School**, an elementary school in Chelsea, NYC. Our school prides itself on being **K&G** (Kind & Gentle), and this year we're taking this approach out into the community to see how our K&G actions can have far-reaching effects.

**Please help us!** Someone did something kind for you today. We're asking you to record that act (and tell us where you're from) on the back of this card; Then **"Pay It Forward"** in any way you choose – check all around the border of this card for inspiration. Once you've done your K&G act, please pass this card on to the lucky person you were kind to, and ask that person to **"Pay It Forward"** as well.
