1. **Approval of February Minutes.**

2. **Standing Business:**
 - a. **Family engagement and support**
 - i. Pre K/K Luncheon: It went really well. Many families attended, and there was a lot of positive feedback, with people mentioning how much they enjoyed it and how they were able to meet new people.
 - ii. SLT Elections: A flyer will be created, and grade-wide liaisons will help spread the word within the community about the openings on the SLT.

 - b. **Physical and Mental Health and Safety**
 - i. Pool: The pool filter is currently broken, but it will be replaced soon.

 - c. **Curriculum**
 - i. Field Trips: Teachers in each grade have been organizing field trips at the end of each ELA module, and they've been very successful. Students have been able to connect these trips to their units of study. Samantha Labombarda will work on arranging tickets for the fifth-grade students to receive a package from the New York Yankees, as it aligns with their final ELA module.

3. **Comprehensive Education Plan:** We received our Mid Year Acadience data and students are progressing as anticipated.
